RE: RECEIVER TUBE MOUNTED TRAILER HITCH COVER
Inventor: Anthony Santangelo

Dear Sir or Madam:

Thank you in advance for your consideration of the enclosed application for a Patent.

This patent is for a cover for a trailer hitch that mounts on the receiver tube. In one embodiment it would fill in the space in the bumper cover of a vehicle with this opening like the picture attached.

I am an individual inventor and claim the right to entitlement to small entity filing fees.

All of the pertinent information is on the attached forms and submissions except that

Figure 1 would be especially suitable for use on the front page of the published patent.

Please feel free to call or write with your comments or questions.

Sincerely,

Anthony Santangelo
